Business announces collaborations, new hire

Veterans

Mountain Hyperbarics is currently working in collaboration with America's Mighty Warriors, Healing Our Heroes program providing hyperbaric oxygen therapy (HBOT) for veteran's who have documented traumatic brain injuries, post-concussion syndrome and/or PTSD. They also provide HBOT for veteran's suffering from other active duty conditions on a case-by-case basis. We are available to guide you through the process, from application to receiving treatment.

Vocational Rehabilitation By the time this edition of

Healthy Living goes to print. Mountain Hyperbarics will be established as a vendor. providing HBOT for folks who are referred by Vocational Rehabilitation to Mountain Hyperbarics for treatment. We are also collaborating with Voc Rehab to provide the necessary training for hyperbaric medical team members. Our new hire and hyperbaric technician. Lorrie Ann Valencia, will be attending a series of trainings through International ATMO. (An organization dedicated to providing accredited hyperbaric trainings), with the support of this new community connection.

George Glass is the Owner of Mountain Hyperbarics. George has been in healthcare for over twenty-seven years. Mountain Hyperbarics was founded on the inspiration, drive and passion to help those who otherwise would not be able to receive this treatment.
